

Seniors' Entitlement Services 2022

Seniors' Entitlement Services (SES) provides trained volunteer advocates to support older adults, 55 and up, from diverse backgrounds, living in the Greater Victoria region. Referrals to our seniors advocacy program came from 50 different organizations.

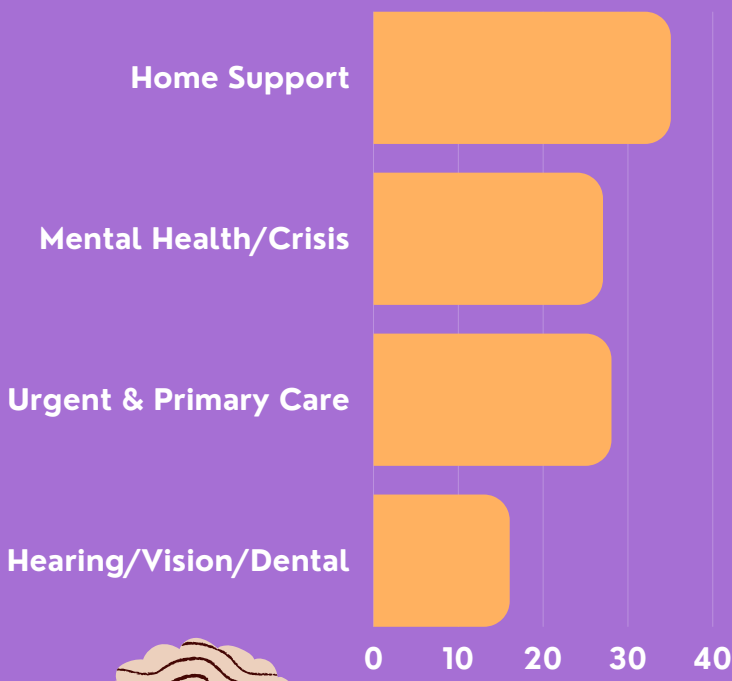

Data sources: Data was collected from 450 SES (55+) clients in 2022, located all over the Capital Region, as outlined in the image to the right.

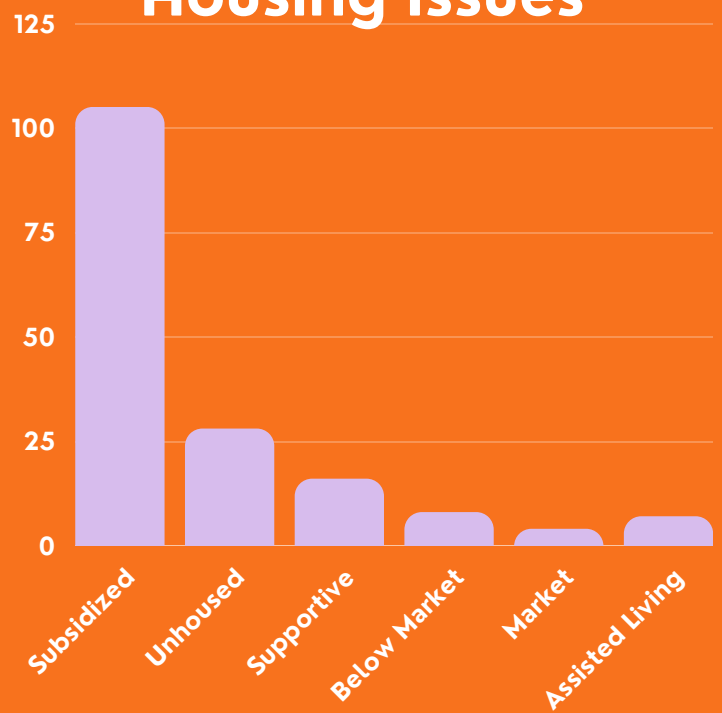

Income & Benefits Issues

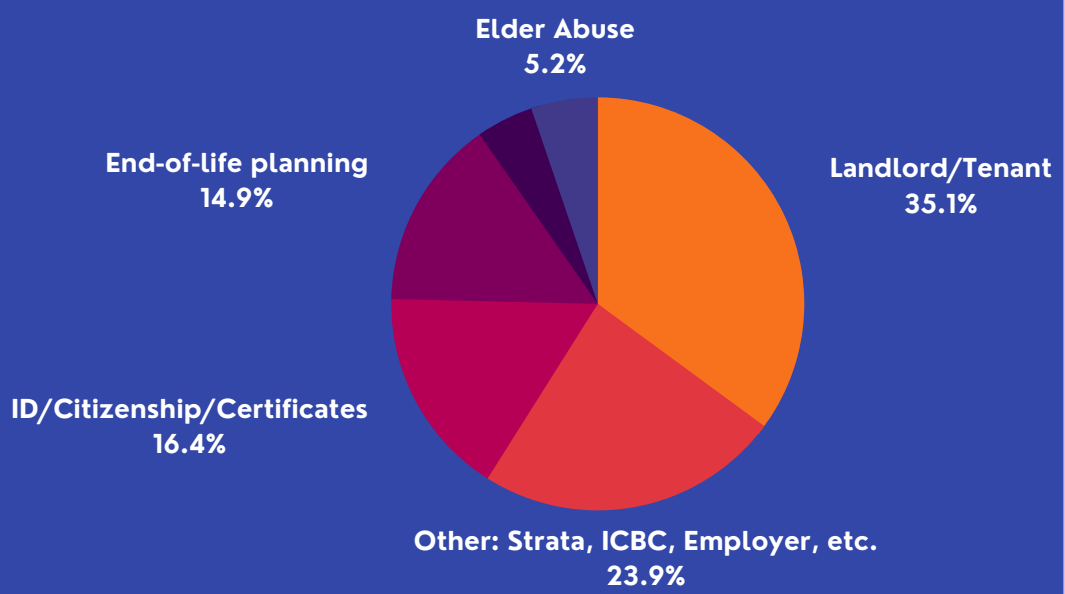

Health Care Issues

Housing Issues

Legal Issues

"In this five-minute conversation with you, I've learned more than in all my conversations with government agencies combined."

"SES saved my life."

"I still wanted to thank you for all your help and understanding. You got the ball rolling for us. I'm very grateful."

We help low-income older adults maintain their independence.
