Furniture Set Up:

- The furniture dolly should be against the wall, beside the tall cabinet of drawers.
- The tall cabinet of drawers should be against the wall, beside the wooden cabinet. The cabinet should be locked as contents are not for rental use.
- The wooden cabinet should be empty with the doors left closed.
- The large round table should be near the wall where the volunteer bulletin board is displayed.
- There should be 5 chairs around the large round table. The other 5 chairs should be stacked between the 2 lounge chairs and the far wall.
- The coffee table should be in the center of the living room furniture.
- The loveseat should be against the wall, beneath the bird artwork.
- The sofa should be perpendicular to the loveseat, against the far windows.
- The side table should be in furthest corner of the room, in the square-shaped gap between the sofa, loveseat, and wall.
- The lamp should be on the side table.
- The 2 lounge chairs should be facing the loveseat, on the opposite side of the room (in front of the wooden cupboard).
- The 2 folding tables should be leaned against the same wall as the sofa, on the opposite side of the room (near the cabinet of drawers).
- The folding whiteboard should be leaned against the folding tables.
- The plant should be in the corner of the room, between the folding tables and the wall.
